Welcome to our Library Newsletter!

Hello to our patrons and visitors from Indian Lake, Sabael, Blue Mountain Lake, and beyond !

Summer is in full swing at the Indian Lake Library and we have a schedule packed with all kinds of activities for all ages.

Our 4th e-newsletter covers July & August **events for all ages**, plus good things to know about all the **FREE things** your Library has to offer. Summer got so packed with events, we decided to group Sept. 2026 with the last quarter's edition.

We are updating our plan of service this year and are seeking your input. **Please take 5 minutes to do this survey. We truly appreciate your input.** [Take the survey here](#)

The Library of things survey is open and waiting for your ideas for physical items your library should have available to borrow. Please see page 12 for more.

We hope you enjoy reading about all the fun we have planned for the next couple months. It is truly our joy bringing entertaining events to our community. We hope to see you often this summer.

Happy Reading! Susan Rollings, Library Director

Library of Things

What is a Library of Things?

A Library of Things (**LoTs**) is an exciting new way some libraries are expanding their collections for their communities. **LoTs** are a unique collection of physical items that can be checked out just like books. **LoTs** allow patrons to borrow physical items like tools, kitchen gadgets, games, and hobby or recreational equipment.

What are some benefits of LoTs for patrons?

- Patrons can try a product before buying one of their own.
- Patrons avoid purchasing items needed only once, or infrequently.
- Patrons can declutter their homes by donating unused items to their community's **LoTs**.

So far our survey has produced some interesting ideas for us to consider: Cricut cutting machine, pet carrier, microscope, tools for home repair, garden tools, snowshoes, and sewing machine, to name a few. Take our survey and let us know what else you might borrow.

Click here to access the survey: [Library of Things Survey](#) or scan the QR code below.

****Remember we already have a small LoTs:**

- ✓ Discount passes to AdkX & Wild Center
- ✓ 2 birding backpacks with binoculars & guides
- ✓ Early Literacy Kits with books, toys & activities

Come check them out!
